Day 3. The Chon Kemin National Park

Bishkek - Burana’s minaret
- On the way, we stop to visit the Burana Tower, a mosque that was destroyed in the 13th century during invasions. We’ll be able to climb up on the roof of this Unesco world heritage site, from which you’ll have a splendid view on the mountains. We’ll also visit a small museum, which shows the history of this sight and archeological treasures found nearby.

Burana’s minaret - Chon-Kemin National Park
- We arrive in the green Chon Kemin Valley, a natural reserve park that offers a splendid diversity of landscapes, with its large forests, its rivers, its gorges and glaciers.
- You’ll be able to explore this wilderness on horseback from the guest house where we’ll spend the night.

Day 4. On the shores of Issyk Kul Lake

Chon-Kemin National Park - Bokonbayevo
- We’ll go for a short hike in the Konorchek Canyons, a gorge with towering red, orange and yellow rocks similar to the Grand Canyon. You’ll be impressed and intimidated by the heights of the rock formations.
- Finally, we make it to the shores of the Issyk-Kul Lake (1609m or 5979ft above sea level), the second largest alpine lake in the world. This is what we call the pearl of Kyrgyzstan. It is surrounded by the Celestial Mountains, with snow-capped summits that climb above 5000m, and are reflected in the crystal clear water. Several dozen rivers drop from the mountains into the lake via stunning valleys.

Day 5. Ancient traditions

- We visit the superb Skazka Canyons, whose name translates as Fairy Tale Canyons in Kyrgyz language. Formed from erosion, the rocks tower over the Issyk Kul Lake and offer a great contrast in color. Let your imagination work to make out the shapes of the rocks.
- This morning, we attend an eagle hunting demonstration. The Kyrgyz hunter, on his horse, will show you the impressive agility of his eagle, who will have to catch small preys like a rabbit.
- We’ll also have the chance to see traditional archery.
- We’ll then arrive in the small village of Kyzyl-Tuu, famous for its traditional fabrication of yurts. One family in the village will show you how to build a yurt, and you’ll be welcomed to help them in this task.
Day 6. Visit Bishkek, Kyrgyzstan’s capital

Kyzyl-Tuu - Bishkek

- This is our last day before getting back to the capital. We leave the mountains of Kyrgyzstan, where we met a generous culture, and go back to Bishkek. Drop-off at your hotel, where you’ll be able to relax.

- We visit the Osh Bazar, one of the most fascinating markets in Kyrgyzstan. Enjoy the colors and the smells coming from stands of dry fruits and spices. You can also buy a few traditional souvenirs to bring home.

Day 7. Have a nice trip!

- Breakfast at your hotel. We drive you back to the airport at the time of your flight.
